14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Omega Lamplighters are requesting funding for their statewide Lighthouse At-Risk youth mentorship program to strengthen students career and math pathways, while also working to reduce crimes committed by local youth. Funds will be used to purchase additional laptops, tablets, after-school reading and literacy materials, enrichment workshops and college tours.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2794

This funding will allow the Omega Lamplighters to expand their existing in- and after-school math & literacy mentorship programs. Additional resources will allow the Lamplighters to improving the math pathways for at-risk youth through postsecondary education through coding, technology and other activities focused on reducing gang activity while providing life changing family services.

c. What direct services will be provided to citizens by the appropriation project?

In-school and after-school mentorship; decreased gang related activity by at-risk youth; strengthening STEM and math pathways through postsecondary education; and college preparatory along with job skills training.

d. Who is the target population served by this project? How many individuals are expected to be served?

Economically disadvantaged, at-risk youth, homeless youth, preschool students, grade school students, high school students, university/college students, drug offenders, victims of crime and children of veterans along with their families.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improve quality of education by increasing quality of in-school and after school literacy and math goals by expanding program and access to individual mentors and services. Job opportunities will improve math pathways that create careers in the tech sector by working with elementary, middle and high school students to ensure post-secondary matriculation to job opportunity. Reducing substance abuse and criminal activities by juveniles.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Payback of a percentage of the awarded amount to the State of Florida, or designated agencies, if the organization does not fulfill the obligations set forth in this request.
