	Recurring	Nonrecurring		
2023-24	0	5,000,000	100 & 105	No

9. Is future funding likely to be requested? No

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

Many Jewish schools already charge parents a school security or transportation fee as part of their tuition and sometimes charge an additional fee per child because of the need for additional security measures. If state funding ceases, either schools will do without maintaining certain standards or put an even greater financial burden on parents by charging or increasing security fees.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

Yes

14. Program Performance

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 3198

a. What specific purpose or goal will be achieved by the funds requested?

Fulltime Jewish Day Schools and preschools will be more secure against the anti-Semitic and terroristic threats they face.

b. What activities and services will be provided to meet the intended purpose of these funds?

Funding will be used by Jewish day schools and pre-schools to pay for contracted security services, transportation services, and target hardening like bullet proof glass, security doors, electronic access, and alarm and camera systems.

c. What direct services will be provided to citizens by the appropriation project?

On campus security.

d. Who is the target population served by this project? How many individuals are expected to be served?

Jewish day schools and pre-schools will provide more security for their students, teachers, staff and parents. Our higher threat schools are aligning themselves with the national preparedness goals of DHS/FEMA, which is an ongoing, constant process. With the state funds, schools are working to deter, detect, delay and defend themselves, and review on a regular basis if they are consistently and constantly doing what it takes to accomplish this.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

More than 17,000 preschool and K-12 students, approximately 1,700 teachers and school staff and thousands of parents.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract penalties are sufficient.
