BILL ANALYSIS AND FISCAL IMPACT STATEMENT

(This document is based on the provisions contained in the legislation as of the latest date listed below.)

Prepared By: The Professional Staff of the Committee on Ethics and Elections

BILL: SB 562

INTRODUCER: Senators Rouson and Davis

SUBJECT: Harassment of Election Workers

DATE: February 1, 2024

REVISED: 02/05/24

	ANALYST	STAFF DIRECTOR	REFERENCE	ACTION
1.	Biehl	Roberts	EE	Fav/1 amendment
2.			CJ	
3.			RC	

Please see Section IX. for Additional Information:

AMENDMENTS - Significant amendments were recommended

I. Summary:

SB 562 makes it a third-degree felony to intimidate, threaten, coerce, or harass, or to attempt to intimidate, threaten, or harass, an election worker with the intent to impede or interfere with the performance of the election worker's official duties or with the intent to retaliate against the election worker for the performance of his or her official duties.

The bill takes effect July 1, 2024.

II. Present Situation:

Threats against and Harassment of Election Workers

Conducting an election requires the assistance of numerous election workers. Election workers may include:

- Election officials, such as supervisors of elections and their regular employees;
- Poll workers, who are short-term employees of supervisors of elections who staff voting sites, assist voters, and work in the elections office; and

- County canvassing board members,¹ who among other duties must publicly canvass vote-by-mail ballots² and provisional ballots^{3,4}.

In recent elections, there have been reports nationally of increased threats to and harassment of election workers.⁵

Prohibitions against Threats and Harassment

Current law prohibits various forms of threats and harassment, but does not specifically address threats to or harassment of an election worker in the performance of his or her duties. Existing prohibitions are discussed in more detail below.

Voter Intimidation or Suppression

Current law⁶ makes it a third-degree felony⁷ to:

- Directly or indirectly use or threaten to use force, violence, or intimidation or any tactic of coercion or intimidation to induce or compel an individual to refrain from acting as a legally authorized election official or poll watcher.⁸

COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/CS/SB 734 makes various changes related to ethics regulations for local governments. Specifically, the bill:

- Prohibits certain state and local officials from soliciting or accepting anything of value from a foreign country of concern.
- Establishes requirements for lobbyist registration for individuals lobbying local governments by:
 - Requiring a person to register as a lobbyist solely with the State Commission on Ethics if he or she wishes to lobby a county, municipality, or special district.
 - Making the State Commission on Ethics solely responsible for naming persons registered to lobby a county, municipality, or special district in a public database and requiring the State Commission on Ethics to publish registrations of such persons on its website.
 - Mandating that all required documentation and information involving the filing, amending, or canceling of a registration to become a lobbyist to lobby a county, municipality, or special district be filed with the State Commission on Ethics.
 - Requiring that the State Commission on Ethics be the entity to receive and investigate all complaints involving violations of the lobbying registration requirements to lobby a county, municipality, or special district.
 - Requiring that the State Commission on Ethics report its findings and recommendations from its investigations of complaints to the chief executive officer of the applicable county or municipality, or the governing body of the special district.

- Allowing the chief executive officer of the county or municipality, or the governing body of the special district, to enforce the State Commission on Ethics' findings and recommendations involving complaints.
- Making the bill provisions preempt and supersede any ordinary charter provision that establishes a lobbyist registration program adopted before July 1, 2024.
- Provides that certain local government employee contracts shall not be renewed, extended, or renegotiated within 8 months of a general election for members of the applicable governing body.

The bill takes effect July 1, 2024.

II. Present Situation:

Commission on Ethics

The Commission on Ethics (Commission) was created by the Legislature in 1974 “to serve as guardian of the standards of conduct” for state and local public officials and employees.¹ The Florida Constitution and state law designate the Commission as the independent commission provided for in s. 8(g), Art. II of the Florida Constitution.² Constitutional duties of the Commission consist of conducting investigations and making public reports on all breach of trust complaints towards public officers or employees not governed by the judicial qualifications commission.³ In addition to constitutional duties, the Commission, in part:

- Renders advisory opinions to public officials;⁴
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws;⁵
- Administers the Executive Branch Lobbying Registration and Reporting Law;⁶
- Maintains financial disclosure filings of constitutional officers and state officers and employees;⁷ and
- Administers automatic fines for public officers and employees who fail to timely file a required annual financial disclosure.⁸

Code of Ethics for Public Officers and Employees

The Code of Ethics for Public Officers and Employees (Code of Ethics)⁹ establishes ethical standards for public officials and is intended to ensure that public officials conduct themselves independently and impartially, not using their office for private gain other than compensation

provided by law.¹⁰ The Code of Ethics addresses various issues, such as ethics trainings, voting conflicts, full and public disclosure of financial interests, standards of conduct, and the Commission on Ethics, among others.¹¹

Gifts and Contracts

Public officers, state agency employees, local government attorneys, and candidates for office are prohibited from soliciting or accepting anything of value, including a gift, loan, reward, promise of future employment, favor, or service, based upon the understanding that their vote, official action, or judgment would be influenced.¹² A state agency, political subdivision, or public school authorized to expend state-appropriated funds or levy ad valorem taxes may not participate in any agreement with or accept any grant from a foreign country of concern, or any entity controlled by a foreign country of concern which:

- Constrains the freedom of contract of such public entity;
- Allows the curriculum or values of a program in the state to be directed or controlled by the foreign country of concern; or
- Promotes an agenda detrimental to the safety or security of the United States or its residents.¹³

A “foreign country of concern” is defined as the People’s Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People’s Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, including any agency of or any other entity under significant control of those nations.¹⁴

Lobbyist Registration and Compensation Reporting

Lobbyist must register to lobby the executive branch or the legislative branch in Florida. Executive branch lobbying is regulated by the Code of Ethics and administered by the Commission.¹⁵ Legislative branch lobbying is regulated primarily by Joint Rule of the House and Senate and administered by the Office of Legislative Services.¹⁶ Both registration systems require lobbyists to register annually for each principal represented and to indicate the entities to be lobbied.¹⁷ In addition, lobbying firms must file quarterly compensation reports.¹⁸ Both the Commission and the Legislature have instituted electronic registration and compensation reporting.¹⁹ Executive branch lobbyists, however, must supply a written oath to complete each registration as well as a signed statement of authority from the principal.²⁰

State agency employees and employees of legislative and judicial branch entities acting in the normal course of their duties are exempt from executive branch lobbying registration.²¹ However, local government officers and employees must register to lobby the state executive branch.

Compensation reporting is subject to random audits, and findings of non-compliance are reported to the Commission, in the case of executive branch lobbying firms, for investigation.²²

The executive branch lobbyist registration law provides specific procedures for its enforcement.²³ The Commission reports probable cause findings to the Governor and Cabinet for appropriate action, which can include a fine up to \$5,000 and prohibition from lobbying for up to two years.²⁴ A person accused of violating the lobbyist registration law may request a hearing within 14 days of the mailing of the probable cause notification.²⁵

Local Government Employees

Local governments have broad authority to contract with or employ personnel for the wide variety of tasks they accomplish. This authority is limited only narrowly by statute, which generally forbids the payment of extra compensation and sets limits on severance pay for all employees of a governmental unit.²⁶ Severance pay may not exceed 20 weeks' compensation, and must not be granted when the employee has been fired for misconduct.²⁷

County Administrator

Counties are required to employ a county administrator, who acts as the administrative head of the county and is responsible for the administration of all departments of the county government.²⁸ The county administrator is appointed by a majority of the board of county commissioners and must reside within the county during his or her tenure.²⁹ The board of county commissioners fixes the county administrator's compensation.³⁰

School Superintendents

A school superintendent, the administrative head of a district school board, may be either appointed by the district school board or elected for four-year terms.³¹ A district school board must enter into an employment contract with an appointed district school superintendent which provides a reasonable salary not exceeding \$225,000 in total remuneration.³² These contracts are

subject to the provisions of law limiting bonuses and severance pay.³³ An elected superintendent is not an employee, and he or she receives a statutory salary similarly to other elected officials.³⁴

Local Government Attorneys and Municipal Chief Executive Officers

While local governments are not required by law to employ an attorney, and municipalities are not required to employ a chief executive officer,³⁵ the practice of hiring such personnel is common, such that these roles are referred to by various statutes.³⁶ These roles may be full time employees, fulfilled through contract work as needed, or divided into several smaller roles, as needed by the local government.

III. Effect of Proposed Changes:

Section 1 amends s. 112.313, F.S., to prohibit public officers, state agency employees, local government attorneys, or candidates for office from soliciting or accepting anything of value, including gifts, loans, rewards, promises of future employment, favors, or services from a foreign country of concern.

Section 2 creates s. 112.3262, F.S., to establish requirements for lobbying before counties, municipalities, and special districts. These requirements largely mirror provisions of current law regulating lobbying of the executive branch.

The bill provides that a person may not lobby a county, municipality, or special district unless he or she is registered as a lobbyist with the State Commission on Ethics. Such registration must be completed upon the person's initial retention as a lobbyist, may be renewed annually thereafter, and must be filed under oath on a lobbyist registration form used by the State Commission on Ethics. The bill makes the State Commission on Ethics solely responsible for naming persons registered to lobby a county, municipality, or special district in a public database and must publish the registrations of such persons on the State Commission on Ethics' website.

The bill provides that upon receipt of a sworn complaint alleging that an individual has either failed to register or knowingly submitted false information in a report or registration, the State Commission on Ethics must investigate the allegations and provide findings and recommendations for the local government to act upon. The bill allows the chief executive officer of the county or municipality, or the governing body of the special district, to enforce the State Commission on Ethics' findings and recommendations involving complaints.

The bill's provisions preempt and supersede any ordinary charter provision that establishes a lobbyist registration program adopted before July 1, 2024.

Sections 3, 4, 5, 6, and 7 amend ss. 125.73, 125.75, 166.021, 1001.50, and 1012.366, F.S., to provide that certain local government employee contracts shall not be renewed, extended, or

renegotiated within 8 months of a general election for members of the applicable governing body, except upon unanimous vote of the governing body. The bill applies this provision to:

- County administrators;
- County attorneys;
- Municipal chief executive officers;
- Municipal attorneys;
- School superintendents; and
- School board district attorneys.

The remainder of the bill revises cross-references and incorporates the amendments made by the bill.

The bill takes effect July 1, 2024.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

The county and municipality mandate provisions of Article VII, section 18(a) of the Florida Constitution provide in part that a county or municipality may not be bound by a general law requiring a county or municipality to spend funds or take an action that requires the expenditure of funds unless certain specified exemptions or exceptions are met.

Article VII, section 18(d) provides eight exemptions, which, if any single one is met, exempts the law from the limitations on mandates. Laws having an “insignificant fiscal impact” are exempt from the mandate requirements, which for Fiscal Year 2024-2025 is forecast at approximately \$2.3 million.^{37,38} The bill makes local governments responsible for determining whether persons required to register with the State Commission on Ethics have complied with the law. Further, the local governments are charged, in their discretion, to enforce the State Commission on Ethics’ findings and recommendations. However, local government oversight costs associated with the bill are speculative and not readily estimable for purposes of determining whether the exemption for bills having an insignificant fiscal impact applies.

If the bill does qualify as a mandate, in order to be binding upon cities and counties, the bill must contain a finding of important state interest and be approved by a two-thirds vote of the membership of each house.

B. Public Records/Open Meetings Issues:

None.

³⁷ Article VII, s. 18(d), FLA. CONST.

³⁸ An insignificant fiscal impact is the amount not greater than the average statewide population for the applicable fiscal year times \$0.10. See Florida Senate Committee on Community Affairs, *Interim Report 2012-115: Insignificant Impact*, (Sept. 2011), available at <http://www.flsenate.gov/PublishedContent/Session/2012/InterimReports/2012-115ca.pdf> (last visited Jan. 24, 2024).

The State Commission on Ethics, in regards to CS/CS/SB 734, estimates it will incur costs associated with the implementation, operation and maintenance of the lobbyist registration system in the form of numerous new filers.³⁹ The State Commission on Ethics expects an increase in call volume to their office in assistance with the new registration requirements and estimates it is likely that the State Commission on Ethics will need to hire 1-2 new employees to administer the program.⁴⁰ The State Commission

³⁹ See Florida Commission on Ethics, *Agency Bill Analysis Request, SB 734*, Jan. 25, 2023, on file with the Florida Senate Committee on Ethics and Elections; See also s. 112.3215(2), F.S. The Executive Branch Lobby Trust Fund has been created within the State Commission on Ethics to be used for the purpose of funding any office established to administer the registration of lobbyists lobbying an agency, including the payment of salaries and other expenses. All annual registration fees collected for the purpose of running the Executive Branch Lobby Registration system must be deposited into the fund; See s. 112.3215(4), F.S. Persons wishing to lobby an agency must register annually as a lobbyist with the State Commission on Ethics and pay an annual lobbyist registration fee, set by State Commission on Ethics, by Rule, not to exceed \$40, for each principal represented. Under s. 112.3215(1)(a), F.S. “Agency” is specifically defined to mean “the Governor, Governor and Cabinet, or any department, division, bureau, board, commission, or authority of the executive branch. In addition, ‘agency’ shall mean the Constitution Revision Commission as provided by s. 2, Art. XI of the State Constitution.” Because s. 112.3215, F.S., specifically applies to the registration and reporting of lobbying before an executive branch agency or the Constitution Revision Commission, and since the statutes language specifically states that the Executive Branch Lobby Registration Trust Fund applies for the purpose of specifically funding the running of the Executive Branch lobbying system, it is unclear if the State Commission on Ethics could use these funds to manage and run the new lobbying registration for local governments. Further, the State Commissions on Ethics’ authority to collect an annual lobbying registration fee appears to be granted solely for lobbyists registering for the Executive Branch Lobbyist Registration System. Because all the annual lobbyist registration fees listed under s. 112.3215(4), F.S., are specifically required to be deposited into the Executive Branch Lobby Registration Trust Fund for the purpose of operating the Executive Branch Lobbyist Registration System, Therefore, it is unclear that the State Commission on Ethics has the authority to require lobbyists for local governments to pay an annual registration fee, without additional statutory authority.

on Ethics also has indicated it will need to build the database and website enhancement necessary to implement the local lobbyist registration program, which may have staffing costs among the other incurred expenditures.⁴¹

VI. Technical Deficiencies:

None.

VII. Related Issues:

The Commission on Ethics has noted issues regarding implementation of the lobbyist registration as provided by the bill, including technology systems costs, personnel requirements, and logistical complications of receiving jurisdiction over local registration laws and complaints.⁴²

The bill requires lobbyists of a municipality, county, or special district to register with the State Commission on Ethics using the State Commission on Ethics' registration forms. Currently, registration is only electronic for legislative lobbying. Executive branch lobbying registration does not mandate electronic registration but most registration is done electronically. The State Commission on Ethics has a paper form available on its website, but it is rarely used in executive branch registration and is specific in its application to executive branch agencies.⁴³

The bill language provides that the State Commission on Ethics can accept complaints and process them in accordance with s. 112.324., F.S. It states that the State Commission on Ethics is to provide the municipality, county, or special district with a report of its findings and recommendations. The Commission has noted that it believes there are not any statutes relating to penalty recommendations pertaining to local lobbyists in s. 112.317., F.S.⁴⁴

Further, the State Commission on Ethics has asked for an extension of the bill's effective date of July 1, 2024, because the Commission will be in the midst of implementing the new electronic filing system for Form 1 financial disclosures.⁴⁵ The State Commission on Ethics estimates an additional 36,000 Form 1 filers at the state and local level will begin filing electronically with the Commission with the deadline for filers being July 1.⁴⁶ The State Commission on Ethics believes a later effective date would allow the Commission more time to prepare for a successful implementation of the local lobbyist registration process.⁴⁷

VIII. Statutes Affected:

This bill substantially amends the following sections of the Florida Statutes: 112.313, 125.73, 125.75, 166.021, 1001.50, and 112.061.

IX. Additional Information:

A. Committee Substitute – Statement of Substantial Changes: (Summarizing differences between the Committee Substitute and the prior version of the bill.)

CS by Community Affairs on January 29, 2024:

The committee substitute revises provisions related to local lobbying registration to remove the requirement that local governments utilize the executive branch electronic infrastructure for registrations, instead permitting the use of forms already in place for executive or legislative lobbying. The amendment also removes provisions of the bill permitting members of governing boards of municipalities to be “present” at official meetings without physical presence.

CS/CS by Ethics and Elections on February 5, 2024:

CS/CS/SB 734 makes the following revisions:

- Requires a person to register as a lobbyist solely with the State Commission on Ethics if he or she wishes to lobby a county, municipality, or special district.
- Makes the State Commission on Ethics solely responsible for naming persons registered to lobby a county, municipality, or special district in a public database and requires the Commission to publish registrations of such persons on its website.
- Mandates all required documentation and information involving the filing, amending, or canceling of a registration to become a lobbyist to lobby a county, municipality, or special district be filed with the State Commission on Ethics.
- Removes the provision allowing a county, municipality, or special district to establish an annual lobbyist registration fee, not to exceed \$40, for each principal represented, to be used by the local government to maintain and operate the lobbying registration system for local governments.
- Requires that the State Commission on Ethics be the entity to receive and investigate all complaints, involving violations of the lobbying registration requirements to lobby a county, municipality, or special district.
- Requires the State Commission on Ethics to report its findings and recommendations from its investigations of complaints to the chief executive officer of the applicable county or municipality, or the governing body of the special district.
- Allows the chief executive officer of the county or municipality, or the governing body of the special district, to enforce the State Commission on Ethics’ findings and recommendations involving complaints.
- Makes the bill’s provisions preempt and supersede any ordinary charter provision that establishes a lobbyist registration program adopted before July 1, 2024.

380 of international trade and tourism is vital to the overall
381 health and growth of the economy of this state. This expansion

I. Summary:

SB 1256 revises voter-registration duties of the Florida Department of Highway Safety and Motor Vehicles (DHSMV) by:

- Prohibiting the DHSMV from changing the party affiliation of an applicant who is updating his or her voter registration record unless the applicant designates and consents in writing to change his or her party affiliation.
- Requiring the DHSMV to, after verifying voter registration information and receiving the applicant’s electronic signature, provide the applicant with a printed receipt that includes the submitted voter registration information and document any changes in party affiliation.
- Requiring driver license examiners providing voter registration services to ask certain questions, and prohibiting certain questions, regarding voter registration; and requiring the DHSMV to record when a person chooses not to disclose his or her voter registration status and forward such information to the Department of State.
- Requiring the DHSMV to ensure that technology processes and updates do not alter an applicant’s party affiliation without the written consent of the applicant.
- Requiring the DHSMV to be in full compliance with the bill’s requirements within 3 months after the bill becomes law.

The bill takes effect July 1, 2024.

II. Present Situation:

National Voter Registration Act of 1993

Congress passed the National Voter Registration Act (NVRA) in 1993¹ “to establish procedures that will increase the number of eligible citizens who register to vote in elections for Federal

¹ National Voter Registration Act of 1993, P.L. 103-31.

office,” while also ensuring “that accurate and current voter registration rolls are maintained.”² The NVRA requires, among other things, that each a state allow a driver’s license application, or a renewal application, submitted to a state motor vehicle authority to also serve as a voter registration application with respect to elections for Federal office, unless the applicant fails to sign the voter registration application.³ The voter registration application portion of a driver’s license application is prohibited by the NVRA from requiring any information that duplicates information⁴ required in the driver’s license portion of the form.⁵ The NVRA requires a voter registration application to include the following:

- A statement of each voter eligibility requirement (including citizenship).
- An attestation that the applicant meets each eligibility requirement.
- A signature of the applicant, under penalty of perjury.⁶

A voter registration application submitted to a state motor vehicle authority by a person who has already registered to vote is considered as updating the person’s voter registration.⁷

Voter Registration and the Florida Department of Highway Safety and Motor Vehicles

The Florida Election Code⁸ implements the NVRA by requiring the Department of Highway Safety and Motor Vehicles (DHSMV)⁹ to provide an applicant “the opportunity to register to vote or to update a voter registration record” when he or she does any of the following actions:

- Applies for or renews a driver license.
- Applies for or renews an identification card (I.D. card).¹⁰
- Changes an address on an existing driver license or I.D. card.¹¹

The DHSMV must notify each applicant, orally or in writing, that:¹²

- Information gathered for a driver license or I.D. card application, renewal, or change of address can be automatically transferred to a voter registration application.
- If he or she submits additional information and provides his or her signature, the voter registration application will be completed and thereafter sent to the proper election authority.
- Any information provided by him or her may also be used to update an existing voter registration record.

² 52 U.S.C. § 20501.

³ 52 U.S.C. § 20504(a)(1). This provision of the NVRA has given the act the colloquial designation by which the bill is most commonly known: the “Motor-Voter” law.

⁴ Additionally, the NVRA requires that a voter registration application issued in conjunction with an application for a driver’s license only contain the minimum amount of information necessary to prevent duplicate voter registration and to enable state election officials to assess applicant eligibility and administer voter registration and other parts of the election process. 52 U.S.C. §20504(c)(2)(B).

⁵ 52 U.S.C. §20504(c)(2)(A).

⁸ Chapters 97-106, F.S., are known as the Florida Election Code. Section 97.011, F.S.

⁹ The DHSMV and certain county tax collectors have entered into statutorily authorized contracts, whereby tax collectors may deliver full or limited driver license services on behalf of the department. *See* s. 322.02, F.S.

¹⁰ *See* s. 322.051, F.S.

¹¹ Section 97.057(1), F.S.

¹² Section 97.057(2)(a), F.S.

- If he or she declines to register to vote, such declination will remain confidential and may be used only for voter registration purposes.¹³
- The driver license office in which he or she applies to register to vote or updates a voter registration record will remain confidential and may be used only for voter registration purposes.¹⁴

During the process of completing a driver license or I.D. card application, renewal, or change of address, each driver license examiner¹⁵ must ask orally, or in writing if the person is hearing impaired, whether he or she wants to register to vote or update their voter registration record.¹⁶ If the person responds in the affirmative, all applicable information used by the DHSMV to fill out the application, renewal, or change of address will be transferred to the voter registration application.¹⁷ The voter registration application is required to be the same in content, format, and size as the uniform statewide voter registration application.¹⁸ After the applicable information has been transferred, the person will be asked to provide any additional information necessary for the voter registration application to be complete.¹⁹ The completed voter registration application must be presented to the person for him or her to review and verify.²⁰ Once the person reviews and verifies the information, he or she must provide an electronic signature affirming the accuracy of the information.²¹ The DHSMV is required to electronically transmit completed voter registration applications within 24 hours to the statewide voter registration system,²² which is administered by the Department of State (DOS).²³

If an applicant declines to register to vote, update their voter registration record, or change their address by either orally declining or by failing to sign the completed voter registration application, the DHSMV must note the declination and forward the information to the statewide voter registration system.²⁴

A driver license examiner providing voter registration services is prohibited from:

- Seeking to influence an applicant's political preference or party registration;

¹³ The NVRA requires that declinations to register to vote be kept confidential. 52 U.S.C. § 20504(c)(2)(D)(ii); *see also* s. 97.0585(1)(a), F.S., providing a public record exemption for such declinations.

¹⁴ The NVRA requires that the office at which an applicant submits a voter registration application be kept confidential. 52 U.S.C. § 20504(c)(2)(D)(iii); *see also* s. 97.0585(1)(b), F.S., providing a public record exemption for information relating to the place where a person registered to vote or where he or she updated a registration record.

¹⁵ The DHSMV is required to designate persons as “driver license examiners,” who are tasked with conducting examinations, making factual reports of findings and recommendations as the DHSMV may require, and enforcing the following: all driver license laws; suspension, revocation, and cancellation orders; and laws relating to the registration of motor vehicles. Section 322.13, F.S.

²³ If the voter registration application was completed via a physical paper document, the DHSMV must forward the document within five days to the supervisor of elections of the applicable county. Section 97.057(4), F.S.

²⁴ Section 97.057(2)(b)2., F.S. This voter registration information transmittal is in addition to other types of information required to be submitted weekly by the DHSMV to the DOS. *See* s. 98.093(8), F.S.

- Displaying any political preference or party allegiance;
- Making any statement to an applicant or taking any action the purpose or effect of which is to discourage the person from registering to vote; or
- Disclosing any applicant’s voter registration information except as needed for the administration of voter registration.²⁵

The Florida Election Code provides an adjudicatory mechanism for a person who has suffered an alleged violation of the NVRA.²⁶ Such person may file with the DOS a written complaint that states the alleged violation.²⁷ Once received, the parties to the complaint must be given an opportunity to resolve the issue through an informal dispute resolution process.²⁸ If the informal dispute resolution process fails to resolve the issue, the complainant may bring an action in the respective circuit court for declaratory or injunctive relief if he or she gave proper written notice to the Secretary of State and an agreement was not reached or the alleged violation was not corrected within 90 days after the notice — or within 20 days of the notice if the alleged violation occurred within 120 days before the date of the election.²⁹

Statewide Voter Registration Application

The DOS is required to create a uniform statewide voter registration application (VR application) by rule.³⁰ The VR application is required to elicit the following information:

- Name.
- Date of Birth.
- Address of legal residence.³¹
- Mailing address (if different from address of legal residence).
- E-mail address and whether the applicant wishes to receive sample ballots by e-mail.
- County of legal residence.
- Race or ethnicity.
- State or country of birth.
- Sex.
- Party Affiliation.
- Whether the applicant needs assistance in voting.
- Name and address where last registered.
- Last four digits of the applicant’s social security number.

²⁸ Section 97.023(2), F.S. If the alleged violation occurred within 30 days before a state or federal election and the alleged violation will affect the registrant’s right to vote in such election, the registrant may immediately bring an action in the circuit court in the county where the alleged violation occurred. ³¹ “Address of legal residence” means the legal residential address of the elector and includes all information necessary to differentiate one residence from another, including, but not limited to, a distinguishing apartment, suite, lot, room, or dormitory room number or other identifier. Section 97.021(3), F.S.

- Florida driver license number or the identification number from a Florida I.D. card.
- An indication, if applicable, that the applicant has not been issued a Florida driver license, a Florida I.D. card, or a social security number.
- Telephone number (optional).
- Signature of the applicant under penalty for false swearing.³²
- Whether the application is being used for initial registration, to update a voter registration record, or to request a replacement voter information card.
- Whether the applicant is a citizen of the United States by asking the question “Are you a citizen of the United States of America?”
- Whether the applicant has been convicted of a felony and, if convicted, has had his or her voting rights restored.
- Whether the applicant has been adjudicated mentally incapacitated with respect to voting or, if so adjudicated, has had his or her right to vote restored.³³

The VR application must also contain the following constitutionally required oath:³⁴

I do solemnly swear (or affirm) that I will protect and defend the Constitution of the United States and the Constitution of the State of Florida, and that I am qualified to register as an elector under the Constitution and laws of the State of Florida.³⁵

Voter Registration and Party Affiliation

If a person fails to designate a party when he or she initially registers to vote, the supervisor of elections (supervisor) must designate that person as registered without party affiliation, also known as No Party Affiliated (NPA).³⁶ The supervisor must notify the voter of such designation and how he or she may change party affiliation.³⁷ Once registered, a voter’s currently recorded political party affiliation may not be changed unless the voter indicates otherwise.³⁸ If a voter does wish to update the party affiliation on his or her voter registration record, he or she must notify the supervisor by submitting a VR application indicating such.³⁹ After a voter’s party affiliation is changed, the supervisor will issue that person a new voter information card.⁴⁰

³² See s. 104.011, F.S., for penalties for false swearing.

³⁸ Rule 1S-2.039(6)(b), F.A.C.

³⁹ Section 97.1031(2), F.S.

⁴⁰ Section 97.1031(3), F.S. Supervisors must provide registered voters with a voter information card, which constitutes notice of approval of registration. The card must contain the voter’s registration number, date of registration, full name, party affiliation, date of birth, address of legal residence, precinct number, polling place address, name and contact information of the supervisor, and other information deemed necessary by the supervisor. Voters may request a replacement card in writing and supervisors must issue a new card if the voter’s name, address of legal residence, polling place address, or party affiliation changes. Section 97.071, F.S.

III. Effect of Proposed Changes:

The bill requires the VR application to allow an applicant who is completing an application for the purpose of updating a voter registration record without changing their party affiliation to indicate that he or she is choosing not to disclose his or her party affiliation.

The bill prohibits the party affiliation of an applicant who is updating his or her voter registration record from being changed unless the applicant designates and consents in writing to change his or her party affiliation.

The bill prohibits the DHSMV from:

- Using a voter registration application to change the party affiliation of an applicant, unless the applicant designates a change in party affiliation and provides a separate original signature consenting to the party affiliation change.
- Updating a voter's registration record to change party affiliation, unless the individual designates the change and separately consent to such change in writing.

The bill requires the DHSMV to, after verifying the voter registration information and receiving the applicant's electronic signature, provide the applicant with a printed receipt that includes the submitted voter registration information and document any change in party affiliation.

The bill requires driver license examiners providing voter registration services to ask the following new questions:

- Whether the applicant is registered to vote;
- Whether the applicant is not registered to vote;
- Whether the applicant does not know if he or she is registered to vote; or
- Whether the applicant does not wish to disclose whether he or she is registered to vote.

If the applicant is not registered to vote or does not know whether he or she is registered to vote, the bill requires the driver license examiner to ask whether the applicant wishes to register to vote and, if the applicant is registered to vote, whether he or she wishes to update a voter registration record.

The bill provides that the DHSMV must also record when a person chooses to not disclose his or her voter registration status and forward such information to the DOS.

The bill prohibits driver license examiners from making any change to applicant's party affiliation, unless the applicant provides a separate original signature consenting to the party affiliation change or discussing an applicant's political preference or party registration.

The bill requires the DHSMV to ensure that information technology processes and updates do not alter an applicant's party affiliation without the written consent of the applicant. Lastly, the DHSMV must be in full compliance with the bill within three months after the bill becomes law.

IV. Constitutional Issues:**A. Municipality/County Mandates Restrictions:**

Not applicable. This bill does not appear to require counties or municipalities to spend funds or take action requiring the expenditures of funds, reduce the authority that counties or municipalities have to raise revenues in the aggregate, or reduce the percentage of state tax shared with counties or municipalities. In addition, bills that affect state or local elections are exempt from the requirements of Art. VII, s. 18 of the Florida Constitution.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

None.

C. Government Sector Impact:

The bill may have an indeterminate, but likely substantial, fiscal impact on state expenditures as the DHSMV will have to make changes to the program used to register voters. The DHSMV has estimated that reprogramming the program could cost \$9,675.⁴¹ Additionally, if the bill is interpreted as requiring a separate “wet” (i.e. physical signature on paper) then the DHSMV will have to alter their largely electronic processes to account for the signature and may no longer be able offer driver license renewal or replacement transactions online.⁴² Lastly, the DHSMV might incur costs related to the production of
