**b. What activities and services will be provided to meet the intended purpose of these funds?**

Ramp widening and Sheet-Pile Walls and construction will be accomplished through the requested funds

**c. What direct services will be provided to citizens by the appropriation project?**

This project will enhance the boat ramp to provide a safer, more convenient recreation facility for the citizens of Liberty county and its visitors.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Liberty County has a population near 8,000 citizens. However, due to its proximity to the Apalachicola River , The County has many visitors yearly that come to utilize their natural resources.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The expected outcome of this project would be the increase of recreation usage of the boat ramp. The County has plans to continue to improve their recreation facilities to lure more tourist into the area. One idea for future growth is to develop an RV park near the boat ramp that one day will generate revenue for the County. Out of State fishing licenses and RV rentals would be a couple of ways to measure cost benefits.
