a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 3319

Feasibility and concept planning, environmental studies, regulatory coordination and preliminary engineering for water quality improvement projects within Little Sarasota Bay including but not limited to consideration of the reestablishment of a tidal connection between the Gulf of Mexico and Little Sarasota Bay.

b. What activities and services will be provided to meet the intended purpose of these funds?

Feasibility and concept planning, environmental studies, regulatory coordination and preliminary engineering for water quality improvement projects within Little Sarasota Bay.

c. What direct services will be provided to citizens by the appropriation project?

Water quality improvements within Little Sarasota Bay will increase the marine and estuarine ecosystems within the bay, boost economic and tourism activity in this part of Sarasota County through increased eco-tourism, boating, related retail/commercial activities and property values.

d. Who is the target population served by this project? How many individuals are expected to be served?

All of Sarasota County and any visitors to the Little Sarasota Bay area.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The project is intended to improve water quality within Little Sarasota Bay and increase the population of fisheries, shellfish and seagrasses. Water quality improvements within Little Sarasota Bay will increase the marine and estuarine ecosystems within the bay, boost economic and tourism activity in this part of Sarasota County through increased eco-tourism, boating, related retail/commercial activities and property values.

Outcomes will be measured through environmental sampling and statistics and annual seagrass monitoring/measurements, along with tax receipts, permit applications, property appraiser valuations and Chamber of Commerce statistics.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Sarasota County imposes performance reporting for failing to meet deliverables or performance measures provided for in its consulting contracts. In severe cases of failure, consultants may be placed on a no-bid prohibition for County related contracting.
